**For Neuralgia, nothing is better than Dr. Miles' Anti-Pain Pills**

Used by thousands for a generation

Those who have suffered from neuralgic pains need not be told how necessary it is to secure relief. The easiest way out of neuralgia is to use Dr. Miles' Anti-Pain Pills. They have relieved sufferers for so many years that they have become a household necessity.

"I have taken Dr. Miles' Anti-Pain Pills for five years and they are the only thing that does me any good. They have relieved neuralgia in my head in fifteen minutes. I have also taken them for rheumatism, headache, pain in the breast, toothache, earache and pains in the bowels and limbs. I have found nothing to equal them and they are all that is claimed for them."

## Y. M. C. A. NOTES

The cafeteria grows in popularity.

Every evening is now a big evening at the association building. The membership in less than four months in the building has passed the 400 mark.

Rhythmic exercises or gymnastic steps are affording a great deal of pleasure as well as exercise to the high school boys who are enrolled in the gymnasium course.

At the rate the men are moving into the dormitories in a short while every room will be taken. Then a waiting list will be made for those desiring accommodations.

"The Avenues of Approach to the Citadel of the Soul," the address given by Dr. C. B. Miller, was so inspiring and helpful that he has been asked to give next Sunday, March 14, the companion address, "The Power of God."

The older high school boys are showing great activity in organizing clubs for self-government and culture. It is hoped that the membership of the boys' department will soon reach 200, which will give to us the largest boys' membership in the country.

Books for the library continue to come in. Mr. Wm. L. Jones, employed by the Jaccard Jewelry Company, sent in more than a score of select books this week. Mrs. J. C. Branch sent in to the association for the boys' department the famous picture, "The First American Flag."

The tournament of expert checker players that has been going on several weeks at the Y. M. C. A. will be concluded Saturday evening, March 13. Mr. A. V. Papp has a long lead and probably will be the winner, which will give him the title of tournament champion of Kansas City. Mr. Edward Headley will probably be second.

PROF. J. C. HOBBS.

Kansas City's premier dancing master and proprietor of the Bon Ton Tonsorial Parlors, which have been moved from his old location, 18th and Vine streets, to the more suitable location at 24th and Vine streets, where he has one of the most complete, handsomely furnished, and up to the minute Barber Shops, cigar stands and billiard parlors to be found in Greater Kansas City. All of his old friends and patrons and strangers passing thru the city are invited to call and make it their headquarters.

Mr. Pratt was delighted with the cordiality of the members, and the members went away satisfied that he prepared himself for an office requiring the most persevering attention and application. The foundation for a monthly magazine is now being laid by Mr. Herbert Beach, one of our progressive and talented men. It is to be hoped that nothing this side of the moon can deter him from reaching the goal of his ambition. Fortunately for the colored people of this city the Jitney cars are here to serve men, no traces. The only possible solution anywhere is by the growth of different races in individual self-control and self-respect out of which will in time grow equal rights to all and special privileges to none.
